Orda II

Li-ion battery for Orda II, 2600mAh

Kosnic's Orda II LED Emergency Twin-Spot is a self-contained, high-power, robust, non-maintained emergency lighting solution available as either standard or self-test versions. The Orda II LED Emergency Twin-Spot has two adjustable directional spotlights providing emergency illumination along exit routes for three hours during a power cut. Typical applications include warehouses, factories, industrial sites and long corridors.
