

Etna

Etna Eyelid Diecast aluminium exterior bulkhead for K2D lamps

Kosnic's Etna LED DD Bulkhead with emergency option offers a low maintenance and robust solution to lighting in corridors, staircases, security zones and thoroughfares. The standard fittings are IP65 rated and exclusively for use with Kosnic LED DD lamps, which are available with or without microwave sensors. The fittings are also available with the option to install an emergency module.

KBHDDC4S65-BLK (05736)

Specification
