

Ossa

Ossa Slim IP65 bulkhead for K2D Lamps with white ring

Kosnic's IP65 LED bulkhead is perfect for Kosnic's K2D standard and sensor LED lamps. The bulkhead includes an emergency option and offers a low maintenance and robust solution to lighting in all areas where a practical lighting solution is required. The bulkhead may be used as a simple utility style bulkhead without a trim or can be enhanced with one of the decorative trims to give a higher aesthetic appeal where required. Optional backlight rings are supplied with the 379mm trims but do not have to be used. Supplied with small white trims standard.
