

Faceta

Faceta Premium LED downlight with faceted reflector with switchable CCT, 16W

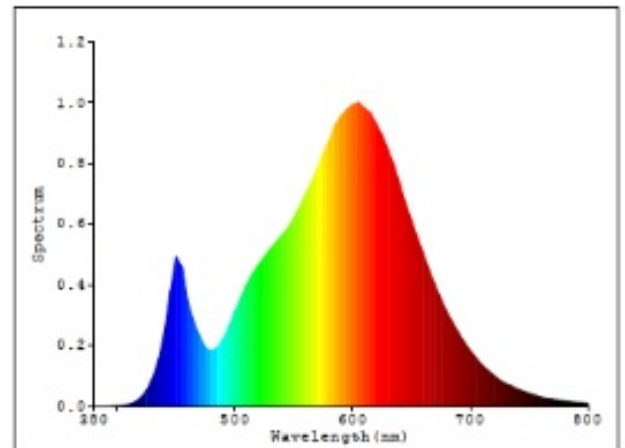

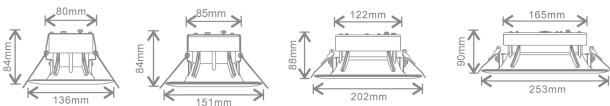

The Kosnic Faceta LED Commercial Downlight range are retrofit LED lighting for widely used 4", 6" and 8" fluorescent downlights with a distinctive faceted reflector and a recessed light source. The LED Commercial Downlights are now available with a switchable wattage and CCT, so you can set one of two output powers and select from a range of colour temperatures. The range offers affordable products with high lumen efficiency and a long life. Furthermore, the downlights are compatible with Kosnic's emergency modules.
