2W Frosted Traditional glass light bulb with LED filament

Kosnic's Home range of LED products brings the energy saving and safety capabilities of LED technology for general and decorative lighting to the home. Offering a range of classic shapes, all Home LEDs are designed to replace traditional filament lamps. Our showpiece KTC LED Frosted Filament Candle lamp has a traditional appearance and gives an even spread of light in all directions. It is also highly functional and efficient, giving a quality of light that creates inviting living spaces while offering huge energy savings over filament lamps without compromising on brightness. Delivering a warm and comforting ambient light around 360 degrees, this LED filament candle is a perfect match for almost every style of chandelier across domestic and professional environments, and once in place rapid payback is achieved.
