

Nile

Nile 3-way "T" Interlock Connector-Black

The Kosnic Nile suspended battens are an elegant design available in black or white with a variety of diffuser/beam options. The Microprism PS Diffuser 80° version can also cast 30% of the light up and 70% down, or all the light output downwards. The battens can be surface mounted or suspended as standard with Global/Unipro 3-circuit track and Interlock mounting accessories available as extras. Offering energy efficient lighting with a long operational life they are ideal for modern offices, classrooms, corridors and retail premises.
