

Flame Lamp

E27 LED Lamp with flame effect

The Kosnic LED Flame Lamp are a multifunctional decorative light source. The lamps have a realistic flickering flame motion that produces a very decorative effect while giving energy efficient illumination. The lamps are suitable for indoor or outdoor fittings making them perfect for commercial use in restaurants and hotels as well as around the home in lanterns, on patios and decking, and many other areas. The lamps have three modes and a gravity sensor that ensures the flame always flickers upwards when vertically installed.
