

## Azure

### **Azure Modern style LED track spotlight, 30W, 38°, 5000K, White finish**

The Kosnic LED track spotlights are suitable for use with popular Global or Unipro three-circuit track systems. The rotating and tilting spotlights are ideal for retail applications, showrooms, galleries and museums, delivering efficient light right where it's needed. The spotlights are available in black or white with narrow or wide beam angles and a choice of colour temperatures.

## Specification

|                                |                      |
|--------------------------------|----------------------|
| Voltage                        | 220-240 Vac 50-60 Hz |
| Current (mA)                   | 137                  |
| Rated Power (W)                | 30                   |
| CCT Words                      | Day Light            |
| CCT (K)                        | 5000                 |
| Total Luminous Flux (lm)       | 3000                 |
| Beam angle(°)                  | 38                   |
| Nominal Lifetime (h)           | 40000                |
| SDCM of CCT                    | <6                   |
| Power Factor                   | 0.95                 |
| Ambient Temperature Range (°C) | -20 to 50            |
| Protection Rating              | Class I              |
| IP Rating                      | IP20                 |

## Light Source Specification

|                                 |       |
|---------------------------------|-------|
| Dimmable (Y/N/Specific dimmer)  | No    |
| CCT                             | 5000K |
| CRI                             | >80   |
| Lumen Maintenance Factor (x.xx) | 0.75  |

## Optional Gears and Accessories

|                  |                                  |
|------------------|----------------------------------|
| Optional Gears 1 | Compatibility - Global/Unipro 3C |
|------------------|----------------------------------|
